

Love of my life, you've hurt me  
You've broken my heart  
And now you leave me

Love of my life, can't you see?  
Bring it back, bring it back  
Don't take it away from me  
Because you don't know  
What it means to me

Love of my life, don't leave me  
You've taken my love

*backing:* (all my love)

You now desert me

Love of my life, can't you see?

*backing:* (please bring it back)

Bring it back, bring it back  
Don't take it away from me  
Because you don't know  
What it means to me

You will remember  
When this is blown over  
And everything's all by the way  
When I grow older  
I will be there at your side  
To remind you how I still love you  
I still love you

Back, hurry back  
Please, bring it back home to me  
Because you don't know  
What it means to me

Love of my life  
Love of my life
